PP400/PP800

Embossing point to point
adaptable to several machines

Peso: 3400Kg

PESO 4000kg

TECHNICAL DATA:

Max Speed: PP400: 500m/min PP800: 300 m/min

Operating compress air: 6 bar

Reel width: PP400: 400mm PP800: 800mm

Length: 1962mm

Height: 1796mm

Width: PP400: 1964mm PP800: 2354mm

Material: Tissue

Electrical power: 11kW approx

Electrical connection: 3x400V + N/PE

ADDITIONAL OPTIONS

Liquid cooling system for high speeds.

FEATURES

Embossing with gluing system point to point to give the napkins more volume and consistency.

Hydraulic system to serve enough strength.

Touch screen to make automatic adjustments.

Gluing system incorporated.

Guiding belts for fitting the paper in his right way.
